

## **Notice of Final Decision**

### **Hazardous Waste Management Construction Permit**

Environmental Disposal Systems, Inc.  
MIR 000 016 055

February 22, 2001

The Department of Environmental Quality (DEQ) issued a hazardous waste management construction permit to Environmental Disposal Systems, Inc. (EDS) pursuant to Part 111, Hazardous Waste Management, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. The permit was issued on February 22, 2001, and allows EDS to construct storage and treatment facilities at 28470 Citrin Drive in Romulus, Michigan. The construction permit expires three years from the date of issuance.

The DEQ announced its intent to issue the construction permit on December 14, 2000, and made copies of a draft construction permit, a fact sheet, and the administrative record for the project available for public review. The DEQ accepted public comments on the draft construction permit from December 15, 2000, through February 1, 2001, and at a public hearing on January 17, 2001. The DEQ considered all relevant comments before making its final decision. The Responsiveness Summary contains the DEQ's response to all relevant comments and identifies the changes in the construction permit that were made based on those comments.

The construction permit and Responsiveness Summary may be reviewed at the DEQ's Waste Management Division Office located on the first floor of the John A. Hannah Building, 608 West Allegan Street, Lansing, Michigan (contact Mr. Steve Sliver at 517-373-1976); at the DEQ's Southeast Michigan District Office located at 38980 Seven Mile Road, Livonia, Michigan (contact Mr. Mike Busse at 734-953-1403); and at the Romulus Public Library located at 11121 Wayne Road, Romulus, Michigan. The construction permit and Responsiveness Summary are also available on the Internet at [www.deq.state.mi.us/wmd](http://www.deq.state.mi.us/wmd). A copy of the construction permit and Responsiveness Summary may be obtained for the costs of reproduction, by contacting Ms. Julie Blanchard at 517-373-9875. Questions or comments concerning the construction permit should be directed to Mr. Steve Sliver at 517-373-1976.
